**How We Will Calculate Your Balance:** For Purchase and Balance Transfer balances, we use a method called "average daily balance (including new purchases and new balance transfers)." For Cash Advance balances, we use a method called "average daily balance (including new cash advances)."

**Billing Rights Summary:** Information on your right to dispute transactions is included with the account-opening disclosures.

**How the Variable APRs on your Account are Determined:** Unless an introductory or promotional APR is applicable, the APRs on your Account for Purchases and Balance Transfers will be determined each billing cycle by adding a “margin” to the “Index”. Please see below and in your Agreement for more information.

**How Monthly Periodic Rates Are Used To Calculate Interest:** The monthly periodic rate for your Purchase and Balance Transfer APR is 1.35333%, 1.60333%, 1.85333% or 2.10333%, and Cash Advance APR is 2.08250%.

**Margins:** For Purchases and Balance Transfers, margins of 9.24%, 12.24%, 15.24% or 18.24% will be added to the Index, based on your creditworthiness.

**Index:** The APRs that apply to your Account for Purchases and Balance Transfers are subject to change each Billing Cycle with changes to the Index. The Index is the Prime Rate (U.S.) as published in the Money Rates section of *The Wall Street Journal*. As of 11/15/2025, the Prime Rate was 7.00%.

**Payment Allocation.** Payments are allocated at our discretion as permitted by applicable law. The amount of each payment equal to the Total Minimum Payment Due is allocated first to unpaid Transaction Fees, Account Fees, and Minimum Interest Charges, then to unpaid interest charges, then to the balance with the lowest APR and then to balances with higher APRs. Payment amounts in excess of the Total Minimum Payment Due will be applied to balances with higher APRs before balances with lower APRs.

**Important Information About Procedures for Opening a New Account (USA Patriot Act):** To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means to you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

**About This Credit Card Program:** This credit card program is issued and administered by Wilmington Savings Fund Society, FSB located in Wilmington, Delaware. Any Account opened in response to this application shall be governed by the laws of the State of Delaware. Visa is a registered trademark and service mark of Visa International Service Association, and is used pursuant to a license.

**Card Eligibility:** To be eligible for an Account, you must meet certain minimum income, residency, age, credit quality and other requirements.

**Balance Transfers:** You may be able to transfer balances from eligible credit card accounts to your Account (\$250 minimum balance transfer). **Balance Transfers are subject to a fee based on the amount of the transfer with a minimum fee as indicated in the Fees Table above, and are subject to your available credit limit.** If the total amount requested exceeds your available credit limit, we may send full or partial payment to your creditors in the order provided to us.

We may limit the number and types of accounts from which we will allow Balance Transfers, and the times, manner, and circumstances in which Balance Transfers may be requested. Balance Transfers may not be payable to you or made payable to cash. Balance Transfers may be used to pay off other creditors, but cannot be used to pay down or to pay off accounts owned by WSFS Bank or to any bank now or previously affiliated with WSFS Bank.

It may take 2 to 4 weeks to process a Balance Transfer request after your Account is opened. You must continue paying each of your creditors until the requested Balance Transfer appears on your monthly billing statement sent to you by your creditor as a credit. Your other account(s) will not be closed even if you transfer your entire balance(s). If you want to close such other account(s), please contact your other creditors directly. Note that if you have a dispute with a creditor and pay that balance by transferring it to your Account, you may lose certain dispute rights.

**Introductory or Promotional APRs on Balance Transfers:** If you take advantage of a 0% Introductory or Promotional Annual Percentage Rate (APR) Balance Transfer offer and then you use your Account to make new Purchases, you can avoid paying interest on those new Purchases if you pay the Minimum Payment Due and the total outstanding Purchases balance (this includes any fees that may have been assessed to your Account) by the Payment Due Date shown on your monthly billing statement. By following these instructions and paying timely, you will not be assessed interest on new purchases made during that billing cycle and you will be able to maintain the benefits of carrying balance transfer balances at the 0% introductory APR.

**Transfers requested with Convenience Checks are processed as Cash Advances, not as Balance Transfers.** If you have a dispute with a creditor and pay that creditor with a Balance Transfer or Convenience Check, you may lose certain dispute rights with that creditor.

**Your Telephone Number:** When you give us your mobile phone number, we have your permission to contact you at that number about your Account. Your consent allows us to use text messaging, artificial or pre-recorded voice messages and automatic dialing technology for informational and Account service calls, but not for telemarketing or sales calls. It may include contact from companies working on our behalf to service your Account(s). Message and data rates may apply. You may contact us anytime to change these preferences.

**Monitoring/Recording of Telephone Calls:** You consent and agree that we, any of our affiliates, and any other persons that we authorize in accordance with applicable law, may monitor and/or record any and all telephone communications with you without any additional notice of such monitoring or recording, unless expressly required by applicable law.
