

## JanSan SUPPLIES + SUPPORT

BradyPLUS delivers the Supplies + Support to help keep your facilities operating at peak performance. We partner with you to help you achieve building environments that are cleaner, healthier, safer, more productive, and more sustainable.

### Essential 8

Essential 8 is an in-depth analysis of eight key criteria in an overall facility care operation that delivers improved results. Our customized solutions are designed to achieve clean + healthy facilities at the total lowest cost.

### Sustainability

GPS® Green Partner Support™ is a comprehensive approach to green cleaning which combines low environmental impact cleaning products, procedures, and consultative expertise to create an effective cleaning program which helps to achieve sustainability goals.

### 24/7 eCommerce Support

Our new and improved eCommerce platform with incorporated budget management tools gives you visibility to and control of your overall facility supply spend, along with enriched product information and reference materials.
