

Deli Containers

Injection Molded | Combo

DESCRIPTION

Meet Placon's Injection Molded Deli Container Base & Lid Combo, available in 5 convenient sizes from 8 to 32 oz. These leak-resistant and microwaveable combos, made from durable polypropylene, are ideal for take-out and deli foods, capable of withstanding the rigorous demands of commercial kitchens and catering. With a wide range of size options, you'll have plenty of space for packaging your delectable dishes, ensuring they arrive in pristine condition. The tight-sealing lids effectively prevent leaks, keeping your food fresh and presentable. Designed for efficiency, these containers are stackable and modular, optimizing your storage space and streamlining your operations.
