

ELITE FILAMENT TAPE

PRODUCT DESCRIPTION

STRANFLEX® Elite Filament Tape is a high-performance strapping solution engineered for maximum strength and stability in demanding industrial applications.

Reinforced with fiberglass filaments and backed with a durable polypropylene film, it features a solventless synthetic rubber/resin adhesive that delivers exceptional holding power, resistance to splitting, and long-term reliability—even under stress, vibration, or exposure to moisture.

Made in the USA.

APPLICATIONS

- Industrial manufacturing & metal fabrication
- Automotive assembly lines
- Logistics & freight operations
- Heavy pallet unitizing & load stabilization
- Bundling of pipes, rods, lumber, & irregular items
- Reinforcing large cartons for long-distance transport
