

# Moving **retail** forward with facility solutions that fit your business

A recent study showed that the cleanliness of the retail environment influences 92% of shoppers' decision to return. A safe, healthy and productive retail space starts with solutions tailored to your unique business needs.

Envoy Solutions delivers the strategic services and product consistency to keep your locations cleaner and more sustainable, people safer, and operations more productive, every day.

## **EXPERTISE**

Our experienced team conducts site audits, purchase history review and forecast analysis to deliver the best products.

## **CUSTOMIZATION**

Every solution and purchasing program can be designed around your unique requirements.

## **FLEXIBILITY**

Our services align with your business processes and can adapt to your changing needs.

## **CONSISTENCY**

From a dedicated support team and single point of contact to location-specific drop shipments, we're always there for you.

## **SCALE**

As an extension of your supply chain, we leverage the power of our size, scope and capabilities to ensure your business stays competitive.

# Total Facility Solutions **For Retail**

## JANITORIAL SUPPLIES & EQUIPMENT

Our breadth of products, including sustainable offerings and environmentally safe products, ensures total autonomy on the cleaning products you need—all backed with expert training and support.

## HEALTH AND HYGIENE

Health and hygiene are more important now to provide a safe and healthy environment for your staff and guests. We'll show you how to maximize the value of your store's appearance.

## LABOR REDUCTION

We help retailers reduce direct operational spend through economies of scale and more efficient delivery consolidation.

## VENDOR CONSOLIDATION

To streamline your workflow and reduce paperwork, we consolidate your required products via a single source.

## SUPPLY CHAIN EFFICIENCY

We focus on reducing the number of suppliers and analyzing supply chain gaps to make your business more productive.
