

PISTOL GRIP TAPE DISPENSERS

STRANFLEX® Economy Pistol Grip Tape Dispensers

These dispensers feature an ergonomic design for comfortable use, smooth tape application, and a natural rubber roller with an adjustable brake for customized tension control.

For use with 3" core tapes.

FEATURES

- Durable build for long-lasting performance in high-volume settings
- Smooth tape dispensing to reduce waste and frustration
- Adaptable to various carton sizes and packaging needs
- Improved efficiency for faster packing operations

STRANFLEX® Deluxe Pistol Grip Tape Dispensers

These dispensers feature a retractable blade for enhanced safety, an adjustable brake for tailored tension, and natural rubber roller for consistent application.

For use with 3" core tapes.

FEATURES

- Quick, clean cuts for efficient carton sealing
- Enhanced operator safety in busy packing environments
- Ergonomic design for comfortable, all-day use
- Durable construction for long-lasting performance

STRANFLEX® Mousetrap Pistol Grip Tape Dispensers

The 2" Mousetrap dispenser offers easy, one-handed tape application with adjustable tension for precise control. Durable and lightweight, it's perfect for quick, efficient packaging in any setting.

The 3" Mousetrap dispenser provides smooth, reliable tape dispensing for larger tape rolls. Its ergonomic design and adjustable tension make it ideal for heavy-duty packaging tasks, boosting efficiency and comfort.

For use with 3" core tapes.

FEATURES

- Durable construction for long-lasting performance
- Adjustable tension control for precise tape application
- Lightweight and portable for comfortable use over extended periods
- Helps reduce tape waste by providing clean, straight cuts
