

## SUPPLIES + SUPPORT for Convenience Stores

At BradyPLUS, we're committed to helping Convenience Stores have cleaner, safer, and more productive operations. We know that as a C-Store Operator, your plate is full. From placing orders, managing inventory, marketing, merchandising, customer service, and cleaning—you do it all. As a BradyPLUS partner, you don't have to do it alone. With our national reach, localized support, and extensive product catalog, we'll help you create a cleaner, more efficient store experience that keeps customers coming back - all day long.

### Dedicated Local Support

With our national reach, there's always a local team nearby to provide personalized, on-site consultations, troubleshooting, and tailored product recommendations to meet your store's unique needs.

### Increasing Customer Loyalty

First impressions matter. We will create a custom sanitary maintenance program that will keep your floors, restrooms, and high-traffic areas clean, reducing the risk of accidents + promoting health and safety standards.

### Branded + Custom Packaging

Build your brand with custom packaging solutions—cups, bags, containers, and more—that give you an edge with customers while enhancing the look and feel of your store.

### Inventory Management

We can help your store optimize inventory, helping reduce stockouts and overstocking. We offer insights into purchasing patterns and suggest adjustments to streamline your supply chain.

### Supply Chain Solutions

For c-stores, timing is everything. Whether it is store-door delivery or working with one of your supply partners, our expansive distribution network and flexible fulfillment options keep your store stocked + running smoothly.

### Training + Safety

We help c-store teams stay compliant and safe with training resources, safety products, and cleaning systems, ensuring your staff has the tools to maintain a clean + healthy environment.
