Facility Supply Solutions

We Offer Total Facility Supply Solutions

For Government Facility Maintenance and Procurement Professionals, Envoy Solutions understands that you need to provide a clean and efficient workplace for your building occupants at the total lowest cost while meeting governmental executive orders – Envoy Solutions delivers innovative facility maintenance supply and hand hygiene solutions along with industry-specific expertise and consultation that contribute to lower operating costs, increased occupant wellness and enhanced public image.

Experienced Consultants

When you work with Envoy Solutions, not only do you benefit from Envoy Solutions' experience, but you also benefit from Envoy Solutions' **consultative approach** to solving your most challenging facility maintenance issues. We're not just another company with a big catalog full of products – our consultative approach and trained representatives and specialists mean you can count on Envoy Solutions to be your experienced and **trusted partner** and **advisor**.

Sustainability

You have sustainability goals to reach, and Envoy Solutions GPS® Green Partner Support™ guides you to reaching these goals, up to and including contributions to Environmentally Preferable Purchasing (EPP) goals and LEED certification. Envoy Solutions GPS® is a collaboration and partnership between Envoy Solutions and its respective commercial real estate customer and manufacturer partners – and it is a **comprehensive approach** which addresses everything you will need to implement an effective green cleaning program. Envoy Solutions has the **experience** and **expertise** to help guide you through the process to reach your sustainability goals.

Customized Solutions

No two buildings are exactly alike, and our approach to helping you get your job done shouldn't be either. Envoy Solutions will work with you to assess and benchmark your current facility maintenance approach, and then customize a **total facility maintenance solution** which delivers you the best value and overall cost savings. Envoy Solutions is well-positioned to work with your Building Service Contractor vendor or GPO, and stands ready to do whatever it takes to get the job done **on-time** and **on budget**.

Management Tools

Envoy Solutions is set up to work with busy Government Facility Maintenance and Procurement Professionals – and we realize that what we do is a small but important part of your overall responsibilities. Utilizing Envoy Solutions' GPO contracts, you can count on **consistent pricing** and product deliveries which will **maximize your purchasing compliance**. Our e-commerce platform with incorporated budget management tools gives you control of, and visibility to, your overall facility supply spend, making it easier for you to manage. Envoy Solutions is a company which has been purpose-built to serve those who are responsible for managing tax-supported building portfolios.

Envoy Solutions Knows CLEAN

Envoy Solutions is known as cleaning industry leader experts in the maintenance requirements of commercial, educational, institutional and industrial environments.

From the basics you use everyday – like cleaning chemicals, vacuums, sanitary paper products, trash liners and hand soaps – to more specialized items – like ride-on autoscrubbers, and no-touch restroom accessories – Envoy Solutions is your **SINGLE SOURCE** for all your facility maintenance supply needs. We are uniquely qualified to deliver a customized cleaning solution that perfectly suits your needs.

Envoy Solutions Knows GREEN

Envoy Solutions is committed to being an industry leader in promoting **RESPONSIBLE** business practices that support more sustainable communities. **SUSTAINABILITY** has emerged as a global theme of the 21st century – it is a concept which balances the interconnectedness of the environment, the economy and our quality of life.

With its own LEED® Accredited Professionals and CIMS-GB ISSA Certification Experts on staff, Envoy Solutions understands how green cleaning fits into the broader scope of your overall sustainability goals, and offers the cleaning product solutions, training on cleaning best practices, and advanced procurement platforms to support a more sustainable approach to achieving **CLEAN GREEN BUILDING ENVIRONMENTS**.

Envoy Solutions Knows SERVICE

Whether it's a crisis situation that demands a last-minute delivery, an all-night training, a timely equipment repair, or a bilingual training session, we have proven the extent of our dedication to our customers time and again by going far **ABOVE AND BEYOND** what most people would expect of us, in order to see that our customers' needs are met.

Envoy Solutions has been **PURPOSE-BUILT** from the ground up to serve those who are responsible for delivering clean and healthy buildings. As your trusted partner, you can count on Envoy Solutions for the help you need, when you need it.

Envoy Solutions is a specialized distributor and solution provider serving the US market through a family of the nation's best regional distributors. We specialize in jan-san, foodservice, packaging, and marketing execution. We're way more than a catalog or website—we're people who listen, roll up our sleeves, and do the heavy lifting. We offer a broad catalog of top brands and products, along with deep expertise and advice, to help our client-partners succeed. We are driven to make facilities cleaner and more sustainable, people safer, and operations more productive, every day.
