ECO-NATURAL™ PRIME

C573R RECUMBENT CYCLE

The C573R Recumbent Cycle redefines simplicity and sustainability for your facility. Part of the SportsArt ECO-NATURAL™ Prime Line, this self-powered cycle trims away all the nonessentials to provide a streamlined workout experience. The design is both elegant and practical, incorporating features that include an easy, step-through design. Combined with the adjustable seat, a wide variety of users can easily access the cycle and find a comfortable fit. For the durability, reliability and unmatched service you demand, along with the environmentally friendly fitness experience more and more members expect, choose the C573R Recumbent Cycle.
