

# BECOME AN IICRC CERTIFIED FLOOR CARE TECHNICIAN (FCT)!

## SPACE IS LIMITED TO 35 ATTENDEES!

This seminar provides technical information and hands-on practice using the proper procedures, chemicals and equipment needed to identify, clean, maintain and restore all common types of hard floor surfaces.

## DETAILS

Instruction includes how to properly maintain floor surfaces used in commercial, healthcare, food service, industrial and residential properties, as well as specialty applications such as computer rooms, clean rooms and laboratories

Floor surfaces covered during the seminar include wood, laminate, stone, ceramic, terrazzo, marble concrete, epoxy, LVT, VCT and VAT tile, and sheet goods.

Seminar prepares attendees for the IICRC-FCT Certification Exam on Day 2.

**Instructor:** Wm R. Griffin, President  
CleaningConsultants.com
