P835 ROTARY TORSO

The SportsArt P835 Rotary Torso provides focused training for the obliques and surrounding core muscles. The lower body rotates while the upper body remains supported, helping isolate the desired movement. Adjustable starting positions, a range limiter and gas-assisted seat make setup comfortable and accessible.

KEY FEATURES

- **Specially designed cams provide unparalleled ergonomics throughout the entire motion; offering a perfect start, strong finish, and smooth resistance for human biomechanics**
- **Convenient seat height adjustment suits people of various heights**
- **Heavy-duty double-stitched upholstery**
- **Manufactured to meet EN ISO 20957 / ASTM F2276 standards**
