Automatable for you. Simple for your customers.

Sustainability Focused

- Certified recyclable just like paper or a cardboard box*
- Only uses a single layer of kraft paper
- Highly repulpable based on Western Michigan University testing†
- Lightweight, which can help reduce carbon emissions in transit
- Supports right-sized packaging

Protective Performance

- Proprietary padding technology
- Enables ISTA-3A certification
- Durable with strong protection against drops, bursts, vibration, and more
- Designed to resist moisture penetration
- Withstands the rigors of shipping

Automatable

- Facilitates fast and efficient operations
- Enables labor redeployment
- Heat sealable with potential dwell times under one second
- Compatible with a variety of printing technologies
- Available in a variety of widths

When it comes to purpose driven performance, 3M is your partner in progress.
