

Customizing facility solutions for a more powerful **hospitality** experience

In a recent poll, 9 out of 10 guests said that cleanliness is the most important factor when determining their next stay.¹ A safe, healthy, and productive hotel environment starts with solutions tailored to your unique business needs.

Envoy Solutions delivers the strategic services and product consistency to keep your locations cleaner and more sustainable, people safer, and operations more productive, every day.

EXPERTISE

Our experienced team conducts site audits, purchase history review and forecast analysis to deliver the best products.

CUSTOMIZATION

Every solution and purchasing program can be designed around your unique requirements.

FLEXIBILITY

Our services align with your business processes and can adapt to your changing needs.

CONSISTENCY

From a dedicated support team and single point of contact to location-specific drop shipments, we're always there for you.

SCALE

As an extension of your supply chain, we leverage the power of our size, scope and capabilities to ensure your business stays competitive.

Total Facility Solutions **For Hospitality**

JANITORIAL SUPPLIES & EQUIPMENT

Our breadth of products, including sustainable offerings and environmentally safe products, ensures total autonomy on the cleaning products you need—all backed with expert training and support.

HEALTH AND HYGIENE

Health and hygiene are more important now to provide a safe and healthy environment for your staff and guests. Our sanitation solutions help to ensure clean linens, polished floors, and a more hygienic experience from the lobby to the guest room.

LABOR REDUCTION

We help hotel franchisees reduce direct operational spend through reduction of deliveries and lower transportation costs—all while keeping your people focused on guests, not supplies.

SUPPLIER MANAGEMENT

To support your workflow and reduce paperwork, we reduce duplicative partners and streamline product orders.

SUPPLY CHAIN EFFICIENCY

We focus on consolidating product shipments in fewer trucks while analyzing supply chain gaps to make your business more productive.
