

CABLE TIES

PRODUCT DESCRIPTION

STRANFLEX® Cable Ties are built to tackle your toughest bundling challenges with confidence.

Engineered for long-lasting durability and dependable performance, and featuring a rugged one-piece design that delivers secure, hassle-free wire and cable management.

Select the perfect fit from a range of tensile strengths, lengths, and colors: natural for indoor use and UV-resistant black designed to withstand outdoor environments.

Whether you're organizing cables in the office, securing wiring in industrial settings, or managing outdoor installations, these cable ties provide the reliable fastening solution you can trust.

APPLICATIONS

- Electrical wiring and cable management
- Industrial equipment and machinery bundling
- Construction and building maintenance
- Automotive and aerospace harnessing
- Data centers and IT infrastructure
- Packaging and logistics operations
