

PRODUCT SPECIFICATION SHEET

Manual Pot & Pan

Item No. WWDS1

Description:

Cuts Through Baked-On Food and Grease
Highly active liquid detergent. Formulated for fast emulsification of grease and long lasting suds in single and 3-sink systems

Features & Benefits:

- Powerful - Quickly removes baked on food, grease and food stains from pots and pans.
- Mild and gentle to hands.
- Versatile - The neutral pH makes this product an excellent allpurpose cleaner.
- Rinses freely - This product provides stable suds yet never streaks.
- Copious, long lasting suds.

Directions:

Concentration varies according to water hardness and environmental conditions. Consult your chemical technician for proper dilution, application and use prior to using for the first time.

NOTE: All equipment or surfaces subject to direct contact with food should be thoroughly rinsed with potable water following use. Avoid contamination of food in the application and storage of this product.

Ideal for use in:

- Single or three compartment sink
