

PERFORMANCE WATER ACTIVATED TAPE

PRODUCT DESCRIPTION

STRANFLEX® Performance Water Activated Tape is a reinforced kraft paper tape designed for dependable carton sealing in standard packaging operations.

With a water-activated adhesive and fiberglass reinforcement, it forms a strong, tamper-evident bond to corrugated surfaces—even in dusty or cold environments—offering a cost-effective, eco-conscious alternative to plastic tape.

APPLICATIONS

- Commercial packaging lines
- Regional distribution hubs
- General shipping departments
- Wholesale & office supply distribution
- Light industrial packaging
- Routine B2B shipments and outbound logistics
