

OSHA-1910 GENERAL INDUSTRY OUTREACH INSTRUCTION FOR OSHA 10-HOUR CARD

SPACE IS LIMITED TO 30 ATTENDEES!

A 10-hour, two-day OSHA Safety and Health course providing interactive, hands-on training for preventing work-related injuries. Learn essential safety principles tailored to the cleaning, maintenance, grounds, and restoration industries.

DETAILS

The OSHA 10-hour course covers General Industry occupational safety and health information (OSHA 29 CFR 1910) The course promotes the importance of hazard and risk assessment, the Global Harmonized System (GHS), administrative controls, work practices, Personal Protective Equipment (PPE), and the implementation of controls to prevent accidents, injuries, and toxic exposures that can impact employee health, wellness, and performance.

To successfully complete the course and receive an OSHA 10-Hour card, each attendee must demonstrate that they possess the skills, knowledge, and awareness to recognize potential hazards and are committed to taking action to prevent accidents and exposures on the job that will save lives and reduce costs by preventing injuries.

Instructor: Wm R. Griffin, President
CleaningConsultants.com
