

DF305 BICEP/TRICEP

The SportsArt Dual Function Strength Series is uniquely engineered to offer training on multiple muscle groups per station without compromising range of motion or user experience, making them ideal for smaller spaces.

KEY FEATURES

- Direct drive system offers two opposing cams for less cable-slop and faster workout changeover
- Seat back and bottom are adjustable to accommodate different heights
- Plate increments: 20 x 11 lbs (5 kg)
- Heavy duty arm pad with chest support

TECHNICAL DETAILS
