Dear Member,

Thank you for contributing to the Arbor Day Foundation and for sharing our mission to inspire people to plant, nurture, and celebrate trees. Please enjoy these free trees as a sign of our appreciation.

Your trees have arrived with their roots and surrounding soil mix wrapped in a biodegradable membrane, which can be planted as is. Included is a guide to help ensure proper planting conditions. Complete planting and transplanting instructions are in the enclosed Tree Planting Guide, and more information is available online at [arborday.org/plant](http://arborday.org/plant) or by scanning the QR code below.

Because we want your planting experience to be successful, your trees are guaranteed to arrive healthy and to grow, or they will be replaced within six months of shipment.

If you need further assistance, please contact Member Services at [info@arborday.org](mailto:info@arborday.org).

Best regards,

The Arbor Day Foundation Team
