

HARD FLOOR CARE & EQUIPMENT MAINTENANCE

LEARN HOW TO CLEAN AND MAINTAIN YOUR FLOORS LIKE A PRO!

Join us for an informative Hard Floor Care & Equipment Maintenance Training, where you'll learn the secrets to achieving spotless, long-lasting floors. This session is packed with practical tips and expert guidance tailored for facility managers, cleaning professionals, and anyone tasked with floor maintenance.

WHY ATTEND?

Maintaining hard floors isn't just about appearances—it's about preserving their quality, saving on costly replacements, and creating a safe, welcoming environment. Our training is designed to equip you with the skills and knowledge to achieve all this and more.

WHAT YOU'LL LEARN:

- + **Modern Flooring Types:** Explore the latest flooring materials and learn how to care for them effectively to enhance their durability and aesthetics.
- + **Daily, Interim, and Restorative Care:** Understand the importance of creating a structured floor care program. Discover the unique benefits of daily cleaning routines, interim maintenance techniques, and restorative methods to keep your floors pristine.
- + **Tough Stain Removal:** Gain expert tips for tackling stubborn stains, such as rust, oil, and other challenging marks, with confidence and ease.
- + **Proper Matting Techniques:** Learn how to choose and place matting strategically to minimize dirt, debris, and wear, extending the life of your floors.

Instructor: Steve Johnson
