

DELtainer®

Translucent + Microwavable

Newspring® DELtainer® takeout containers are the ideal carry-out and delivery containers for you and your customers. They're microwavable, stackable, refrigerator-friendly, and top rack dishwasher-safe, meaning they are reusable (or if customers prefer to dispose of them, they're also recyclable).

Features and Benefits

- Great for Delivery and To Go
- Heavy Gauge + Extremely Durable
- Leak-Resistant Design
- Microwavable
- Recyclable
- Suitable for Hot Or Cold Food
- Top Rack Dishwasher Safe
