

### PRODUCT SPECIFICATION SHEET

## Multi-Surface Polish & Protectant

Item No. CHPO3

#### Description:

Cleans, Renews & Protects - A proprietary blend of detergents, oils and silicone liquid emulsion designed to clean, polish and protect leather, wood, vinyl, plastic, stainless steel, glass, mirrors, rubber and more. Quickly and effortlessly renews weathered, worn or soiled surfaces, leaving behind an invisible shield that resists fingerprints, smudges and further soiling.

#### Features & Benefits:

- Cleans and protects many surfaces
- Natural lemon oil provides a fresh fragrance
- Protects surfaces against fingerprints and smudges

#### Directions:

Spray onto flat surface. Wipe immediately with a soft, clean cloth until surface is clean and shiny. For vertical surfaces, or if used next to upholstery, spray directly onto cloth, then polish. Note: Do not spray or use on floors because it could leave them slippery. Keep container closed during storage.

#### Ideal for use in:

- Spray bottle

#### Specifications-
