

PRODUCT SPECIFICATION SHEET

Mechanical Rinse-Aid

Item No. WWRA2

Description:

For Spot-Free Drying
Premium foam free, hard water effective, designed to handle the problems of high total dissolved solids in the final rinse of mechanical dishwashers. Great for machines where hard water and scale buildup is an ongoing issue in both the machine and kitchen utensils.

Features & Benefits:

- Highly Concentrated
- Excellent Sheeting Action
- Low End Use Cost
- Quick Drying
- No Contact, No spills, enhances safety and more
- No Phosphates

Directions:

Concentration varies according to water hardness and environmental conditions. Consult your chemical technician for proper dilution, application and use prior to using for the first time.

Ideal for use in:

- Low & High Temperature Dish Machines
