PERFORMANCE POLYESTER (PET) STRAPPING

PRODUCT DESCRIPTION

STRANFLEX® Performance Polyester Strapping combines high tensile strength with excellent elongation, making it ideal for long-haul and containerized shipping.

It resists rust and corrosion, performs well under sun exposure, and reduces workplace injury risks due to its flexibility.

A cost-effective alternative to steel strapping.

APPLICATIONS

- Export and container shipping
- Outdoor and sun-exposed loads
- Shrinkable and compressible goods
- General industrial bundling
- Long-distance logistics
- Recyclable packaging operations
