

PRODUCT SPECIFICATION SHEET

Extraction Cleaner

Item No. FCCCEX1

Description:

Renews the Dirtiest Carpets - This highly concentrated, low-foaming extraction solution is formulated to quickly penetrate and lift out grease and grime. Contains a powerful blend of special surfactants and nonflammable solvent that will quickly loosen and emulsify a variety of soils from both natural and synthetic fibers.

Features & Benefits:

- Simplifies stain removal - detergent solvent blend removes most stains
- Labor saving - Fast solvent actions quickly emulsifies the worst "ground in" soil problems.
- Economical - highly concentrated formula

Directions:

Product can be used in extraction equipment or as a prespray. Use of defoamer is not required unless carpet is over saturated with chemical. Hot water is recommended but not required. Use furniture protectors under legs of furniture replaced on damp carpet. Always test for colorfastness in a small inconspicuous area prior to use.

Prespray: Add 8oz of product per gallon of water. Apply at the rate of 50 – 100 sq. ft./gal. of diluted solution depending on nap and soil conditions. Allow this product to emulsify soil for 3-5 minutes and clean with normal methods.

Portable Extraction Machines: Vacuum area to be cleaned. Add 1oz product per gallon of water. Use wand or portable extractor over area being cleaned. Pick up cleaning solution and soil by moving wand or portable extractor back and forth three or four times over area sprayed. Overlap previously cleaned area slightly. Apply carpet fan/dryer for faster dry times. Allow drying.

Ideal for use in:

- Spray bottle • Extractor

Specifications-

Color	Straw
Scent	Pleasant
pH	13.0
Flash point	None
Detergency	Excellent
Flash point	None
Foaming	Low
Rinsability	Very Good
Solubility in water	Complete
Specific gravity	1.06
Viscosity	10 centipoise

Ingredients:

Water (7732-18-5); Ethoxydiglycol (111-90-0); Sodium Orthosilicate (1344-09-8); Sodium Hydroxide (1310-73-2); Sodium Tallate (61790-45-2)

Storage & Shelf Life:

2 year warranty

Case Size: 1 Gallon each - 4 per Case
