

MACHINE FILM

PRODUCT DESCRIPTION

STRANFLEX® prism Machine Film is a cast film built for high-speed automated wrapping systems, delivering consistent performance with excellent stretch, puncture resistance, and cling.

Designed to meet the demands of fast-paced logistics and manufacturing operations.

Available in both tint and opaque options, it ensures quick load identification and tamper-evident protection. Individually boxed.

APPLICATIONS

- Warehouses and distribution centers
- Manufacturing environments
- Ideal for cohesive branded packaging appearance
- Color-coded inventory systems
- High-value or sensitive shipments
- Theft deterrence and privacy protection
