4X

People are 4x more likely to use a brand they trust.⁴

The PURELL® brand uses leading scientific research to carefully choose high-quality ingredients as the basis for all our formulations. With state-of-the-art technology and a team of highly qualified scientists, we consider every aspect of the product and its intended use. As a result, the PURELL® brand is trusted by guests, customers, and employees – and as America's #1 hand sanitizer brand,¹ offering PURELL® products means that you can take credit for providing the peace of mind that comes with superior germ-kill and safe chemistry.

1.1 mL

The Lowest Efficacious Dose of a Hand Sanitizer

Unless your employees and customers are applying the right amount of product to their hands, it may be having little to no sanitation effect. PURELL® Advanced Hand Sanitizer exceeds FDA healthcare personnel handwash requirements with just 1.1 milliliters of product.⁵
