CLEANERS

ITEM #KL-AEROGUMRMVR (6.5OZ CAN - TWELVE PER CASE)

Efficient and Safe Gum and Wax Removal for your facility. Say goodbye to stubborn, gummy messes with our advanced cleaner. This powerful solution makes quick work of chewing gum, candle wax, putty, and other sticky residues, ensuring your business remains clean.

Our formula freezes the sticky mess to approximately -40°F, allowing you to quickly and neatly remove it from surfaces. This means less cleaning time for your staff and a more efficient cleaning process. No stains or chemical residue are left behind, ensuring surfaces remain unharmed. For use on furniture, carpet, draperies, upholstery, flooring etc.

Beyond its effectiveness, this product also contains no ozone-depleting chemicals. As with any powerful cleaning agent, read the label and instructions before use.

PRODUCT FEATURES

- » Effective - Quickly freezes sticky messes, making removal easy
- » Safe - Will not harm paints or varnishes
- » No ozone-depleting chemicals
