**Important Information About Your
5 Fragrant Purple Lilacs (4912/10606)**

Dear Member,

Thank you for contributing to the Arbor Day Foundation and for sharing our mission to inspire people to plant, nurture, and celebrate trees. Please enjoy these free shrubs as a sign of our appreciation.

Your shrubs have arrived in a bundle; please separate them before planting. Included is a guide to help ensure proper planting conditions. Complete planting and transplanting instructions are in the enclosed Tree Planting Guide, and more information is available online at arborday.org/plant or by scanning the QR code below.

Because we want your planting experience to be successful, your shrubs are guaranteed to arrive healthy and to grow, or they will be replaced within six months of shipment.

If you need further assistance, please contact Member Services at info@arborday.org.

Best regards,

The Arbor Day Foundation Team

FRAGRANT PURPLE LILAC

Syringa vulgaris

The **fragrant purple lilac** is a large shrub that has an irregularly rounded outline with strong wood stems and dark green to blue-green leaves. The fragrant flowers are borne in panicles 4"-8" long in shades of lilac, light purple, or lavender in late spring. This lilac attracts butterflies and provides nesting sites and cover for birds.

Plant 3'-4' apart for a hedge. Flowers should be removed as soon as they fade. The best time to prune lilacs is just after flowering. Rejuvenate lilacs by pruning out the oldest one-third of stems each year, while at the same time removing any conflicting branches or sucker growth.

Number of Shrubs: 5

Mature Height	8'-15'
Mature Canopy Spread	6'-12'
Growth Rate	Medium (13"-24" per year)
Sun Preference	Full Sun, Partial Shade
Soil Preference	Acidic or Alkaline, Moist, Sandy, Well-drained
