N959 LEG CURL

The SportsArt N959 Leg Curl delivers focused seated hamstring training with accessible adjustments for efficient setup. The multi-position backrest and adjustable leg pad accommodate different body sizes, while the range-of-motion control can be reached from the seated training position.

KEY FEATURES

- **Multi-position seat back allows for users of all sizes**
- **Adjustable leg pad accommodates various leg lengths to achieve proper leverage**
- **Leg pads and range of motion adjustments are easily accessible from a seated position**
