2025 PRODUCT RESOURCE GUIDE

Make the SMART Choice for Your Kitchen.

Meet the SMART foodservice product line—an BradyPLUS' exclusive brand with all the consistency, quality, and true sizes of the national brands.

We partnered with top manufacturers to create foodservice product solutions that provide value and performance, consistency and quality, effectiveness, and efficiency – all delivering unique cost savings to your operations.

- SMART products meet or exceed the quality of national foodservice packaging brands.
- BradyPLUS stands behind our SMART product line and guarantees that products will meet the demands of your business.
- We continually expand the SMART product assortment to help our customers achieve the lowest total cost.

Our SMART Promise

- **High-performance solutions** that work well in even the toughest of kitchens.
- **Growing product catalog,** with new supplies being added each month!
- **Competitively priced** foodservice disposables to improve your bottom line.
- **Eco-conscious options** to show your customers you care and meet your sustainability goals.
- **Reliability + Support** you can count on with our **Smart Count Quality Assurance** guarantee on every case.

Our **Smart Count Quality Assurance Mark** is on every case, and we guarantee that the case count, product specification, and size are “true” and correct.

CONTAINERS | CULINARY LITES® BLACK + CLEAR HINGED LID

SMART Culinary Lites® hinged lid containers withstand temperatures up to 230°F for use under heat lamps, in warming units and microwaves. Clear, anti-fog, vented lids allow excess steam to dissipate keeping the food visible to eliminate order errors and increases impulse sales from grab & go displays.

CONTAINERS | MINERAL-FILLED POLYPROPYLENE (MFPP)

Reduce your environmental footprint with SMART MFPP Hinged Lid Containers. Made with 40% earth mineral, these containers are manufactured with significantly less plastic material than traditional hinged lid containers! This eco-conscious product line is elegant, durable, cut-resistant, grease-resistant, stackable, microwaveable and 100% recyclable.
