STRAN FLEX®

ELITE MACHINE FILM

PRODUCT DESCRIPTION

STRANFLEX® Elite Machine Film is engineered to handle high speeds and forces of machinery.

With its increased thickness and better puncture resistance, it offers greater efficiency and uniformity compared to hand wrapping pallets.

Ensures maximum pre-stretch capability, load retention, and tear resistance—perfect for automated operations.

It increases pallet stability while minimizing film waste, downtime, and total cost per load.

APPLICATIONS

- High-volume warehouses
- Automated pallet wrapping systems
- E-commerce fulfillment operations
- Manufacturing and industrial production lines
- Food & beverage (indirect food contact) and cold chain logistics
- Transportation, storage, and load consolidation
