

PRODUCT SPECIFICATION SHEET

Rescue Grout & Tile Renewer

Item No. FCHFR1

Description:

Grout Restorer & Stain Remover - A powerful, heavy duty tile & grout restorer for extra-tough applications that makes tile & grout look like new, especially in areas containing light colored tile & grout. When used as directed soap scum, body oils, mildew, hard water spots and urine smells are easily eliminated. Ideally suited for effective cleaning on kitchen or restroom floors, showers, lockers and wherever grout and tile demand heavy duty cleaning. Not for use on marble or soft stone.

Features & Benefits:

- Concentrated for economical and effective end-use dilutions.
- Removes soap scum, body oils/grease from bathrooms, showers, and swimming pools.
- Removes salt residues and neutralizes floors after intense strip jobs.

Directions:

DIRECTIONS FOR USE: Read the entire label before using this product. Dilute according to soil conditions:

HEAVY SOILS 1:7 parts water

MEDIUM SOILS 1:12 parts water

LIGHT SOILS 1:20 parts water

Spray product onto tile and grout surface. For best results on vertical surfaces use a foaming spray application. Allow chemical to dwell for 5 -10 minutes. Scrub area thoroughly. Rinse with clean water.

Ideal for use in:

- Spray Bottle
