ELITE POLYPROPYLENE (PP) STRAPPING

PRODUCT DESCRIPTION

STRANFLEX® Elite Polypropylene Strapping is designed for light to medium-duty applications with excellent elongation recovery and minimal strap cycle interruptions.

Made from virgin material, it ensures consistent break strength and smooth performance in both manual and automated systems.

Coils are individually boxed. Made in the USA.

APPLICATIONS

- Carton closure and reinforcement
- Light- to medium-duty bundling
- General logistics and warehousing
- Palletizing consumer goods
- Food & beverage packaging
- Automated packaging lines
