

# Deli Containers

## Injection Molded | Bulk

### DESCRIPTION

Introducing Placon's Injection Molded Deli Containers, available in 5 convenient sizes from 8 to 32 oz. These leak-resistant and microwaveable containers, made from durable polypropylene, are ideal for take-out and deli foods, capable of withstanding the rigorous demands of commercial kitchens and catering. With a wide range of size options, you'll have plenty of space for packaging your delectable dishes, ensuring they arrive in pristine condition. The tight-sealing universal lid fits every container and effectively prevent leaks, keeping your food fresh and presentable. Designed for efficiency, these containers are stackable and modular, optimizing your storage space and streamlining your operations.
