Envoy Solutions offers many products with sustainable profiles, including UL Ecologo, Green Seal, FSC and EPA CPG.

#### UL ECOLOGO®

This product meets UL ECOLOGO's standard for sustainability for sanitary paper products based on environmental leadership and proven performance substantiated through lifecycle review.

#### GREEN SEAL™

This product meets Green Seal's environmental standard for sanitary paper products based on chlorine-free processing, energy and water efficiency, and high percentage of recovered material and post-consumer recycled content.

#### FOREST STEWARDSHIP COUNCIL® (FSC®)

This product meets FSC chain-of-custody requirements verifying that it has been sourced from more responsibly managed forests.

#### EPA COMPREHENSIVE PROCUREMENT GUIDELINES (CPG)

Products contain recovered content in the categories of paper towels (40–60% post-consumer fiber content), bath tissue (20–60% post-consumer fiber) or facial tissue (10–15% post-consumer fiber) can help a facility reach its overall sustainability goals, and can potentially contribute to LEED O+M certification for the building or CIMS-GB certification for the cleaning service provider.

## How Do I Load My Dispenser?

2

3

#### STUB ROLL

## Don't Forget the 1-2-3's of Hand Hygiene!

These simple steps go a long way towards staying healthy! Pair KleenLine products with hand sanitizer to get the best results.

1. Wash hands with soap and clean water
2. Dry hands with clean paper hand towels
3. Apply hand sanitizer

Envoy Solutions is a specialized distributor and solution provider serving the US market through a family of the nation's best regional distributors. We specialize in facility care, foodservice, packaging, and marketing execution. We're way more than a catalog or website—we're people who listen, roll up our sleeves, and do the heavy lifting. We offer a broad catalog of top brands and products, along with deep expertise and advice, to help our client-partners succeed. We are driven to make facilities cleaner and more sustainable, people safer, and operations more productive, every day.
