BradyPLUS offers many products with sustainable profiles, including UL Ecologo, Green Seal, FSC and EPA CPG.

UL ECOLOGO®
This product meets UL ECOLOGO's standard for sustainability for sanitary paper products (UI-175) based on environmental leadership and proven performance substantiated through lifecycle review.

GREEN SEAL™
This product meets Green Seal's environmental standard for sanitary paper products (GS-1) based on chlorine-free processing, energy and water efficiency, and high percentage of recovered material and post-consumer recycled content.

FOREST STEWARDSHIP COUNCIL® (FSC®)
This product meets FSC chain-of-custody requirements verifying that it has been sourced from more responsibly managed forests.

EPA COMPREHENSIVE PROCUREMENT GUIDELINES (CPG)
This product meets EPA Comprehensive Procurement Guidelines for post-consumer recycled content: paper towels (minimum of 40–60% post-consumer recycled fiber content), bath tissue (20–60% post-consumer recycled fiber), or facial tissue (10–15% post-consumer recycled fiber).
