

P.O.G.G. - Paint • Oil • Grease • Gum

PRODUCT ICONS

Product Category:

CARPET

ITEM #KL-FCCSPO6 (1-PINT BOTTLE - TWELVE PER CASE)

Heavy Remove sticky, gooey, gummy, nasty, greasy soils with POGG! Degreases and cleans a wide array of surfaces using a blend of powerful, natural solvents and heavy-duty, soil-removing detergents. Use on grease, oil, tape, blood, soap scum, shoe polish, candle wax, kitchen grease, asphalt, tree sap, make-up, rubber burns, carbon, many inks and adhesives...nearly every kind of stubborn industrial soil and graffiti. Uses natural citrus solvents and is biodegradable.

PRODUCT FEATURES

- » Removes adhesives, decals and chewing gum
- » Formulated with natural citrus solvents to degrease
- » Nonacid, noncaustic and non corrosive
- » Meets VOC requirements in most states

PRODUCT SPECIFICATIONS

Fragrance	Orange
pH	0.8 - 1.6
Detergency	--
Foam height	--
Emulsification	--
Relative density	0.84799
Packaging	1 Pint
UPC barcode	810037736632

INGREDIENTS

D-Limonene (5989-27-5); Petroleum Distillates, Hydrotreated Light (64742-47-8); C9-11 Alcohols Ethoxylated (68439-46-3); Fatty Acids, C8-18 And C18-Unsatd., Compds. With Diisopropanolamine (68855-69-6); C9-11 Alcohols Ethoxylated (68439-46-3)

No Phosphates, VOC: <48%

DIRECTIONS

Dilute 1:90 for general degreasing. Apply a small amount of product to an inconspicuous area. If surface discolors or causes any unwanted problems, do not use. Not for use on silk, satin, velvet, leather, suede, rubber, or latex surfaces. May dull some plastics.

Built Up Grease & Soil Deposits: Spray, brush or sponge a liberal amount of product on the soiled surface. Allow five minutes to penetrate thoroughly. Use a clean white cloth and wipe clean. Rinse with water and allow to dry.

Candle Wax/Gum/Tar/Tree Sap Cleaning: Remove as much as possible before using POGG. Allow five minutes to penetrate thoroughly. Agitating with cloth or scraper may improve removal. Wipe clean with white, absorbent cloth. Rinse with water and allow drying.

Carpet & Upholstery: Never apply product directly to carpeting as its high-performance cleaning may loosen the carpet from its adhesive backing. Color test first. Dilute 1:16 then apply product to a clean white cloth and gently blot the stained area. Repeat as necessary until stain is removed. Rinse with water and blot dry.

EXPERTLY DESIGNED FOR PROFESSIONALS!

KleenLine® is an exclusive BradyPLUS product line for the Facility Care market. The wide range of products enables customers to meet budget and cleaning objectives and solve all cleaning challenges from the simplest to the most complex. KleenLine® provides quality tools and solutions that are built to withstand the demands of the professional and assist with doing the job more effectively and efficiently.
