# We Offer Total Facility Supply Solutions

For Healthcare Professionals, Envoy Solutions understands that you need to provide a clean and healthy healing environment for your patients and staff at the total lowest cost – Envoy Solutions delivers innovative surface sanitation/disinfection and hand hygiene solutions along with healthcare industry-specific expertise and consultation that contribute to lower operating costs, enhanced public image and reduced HAIs, all while helping you improve your HCAHP scores.

## Safe and Clean Healing Environment

Envoy Solutions works with you to deliver a safe, cost-effective and clean healing environment. Our experienced and knowledgeable consultants and specialists have been trained to solve your most challenging healthcare facility maintenance needs. And our market-specific but broad product solution offering, at-the-ready inventory and disaster preparedness inventory control, and extensive customized training support for acute care facilities illustrate how Envoy Solutions is a company which has been purpose-built to serve those who are responsible for keeping our community hospitals clean and healthy.

## Reduced Environmental Impact

Envoy Solutions works with you to help you reach your sustainability goals. Envoy Solutions GPS® Green Partner Support™ is a collaboration and partnership between Envoy Solutions and your hospital – and it is a comprehensive approach which addresses everything you will need to implement an effective green cleaning program which reduces impacts on both human health and the environment. Envoy Solutions has the experience and expertise to help guide you to healthcare facility maintenance solutions which will help you reach your overall sustainability goals and enhance patient experience.

## Improved Outcomes

Envoy Solutions works with you to deliver better patient and business outcomes. Our consultative approach identifies laborsaving recommendations which help to mechanize the cleaning process and increase efficiencies. Utilizing Envoy Solutions's GPO contracts, you can count on consistent pricing and product deliveries which will maximize your purchasing compliance and revenue streams. And our Envoy Solutions ecommerce systems with incorporated budget management tools gives you control of, and visibility to, you overall facility supply spend, making it easier for you to manage.

## Reduced HAI's

Envoy Solutions works with you to deliver a custom-fit cleaning solution which will help you reduce the number of HAI's in your facility. Our Healthy Measures Program acts as another set of eyes and ears to help you assess current practices, recommend specific surface sanitation and hand hygiene protocols to implement, and then continuously monitor key test points to measure progress. Envoy Solutions is well-positioned to engage with key decision makers in a cooperative process to help prepare for CMS and JCAHO inspections, improve HCAHPs scores, and create a healthier environment for patients, visitors and staff.
