

KleenLine® Essentials 5000 Recycled Toilet Seat Covers

ITEM #851531

KleenLine® Essentials 5000 Recycled Toilet Seat Covers provide the perfect balance of sanitary protection and ease of use. For your away from home restrooms, KleenLine Essentials 5000 Recycled Toilet Seat Covers demonstrate a facility owner's commitment to the environment and to offering their employees or customers security and sanitary protection. Each sleeve contains 250 half-fold recycled toilet seat covers, (cases of 20 sleeves) and are a cost effective and sanitary method of meeting personal hygiene needs in away from home restrooms. They fit into most universal dispensers for half fold toilet seat covers. The tissue paper used is designed to dissolve quickly in water and is otherwise biodegradable. KleenLine Essentials 5000 Recycled Toilet Seat Covers are made from 100% recycled material of which 80-85% is postconsumer fiber.
