

## Delivering facility solutions that keep **restaurants** safe, productive and profitable

According to a recent poll, QSR diners are willing to spend two times as much per month at a restaurant that meets their cleanliness standards versus one that doesn't.<sup>1</sup> A clean, hygienic space is directly tied to higher profitability and happier customers. So it's no surprise that a more successful QSR operation starts with solutions tailored to your unique business needs.

Envoy Solutions delivers the strategic services and product consistency to keep your locations cleaner and more sustainable, people safer, and operations more productive, every day.
