N922
INDEPENDENT PEC FLY/REAR DELT

The SportsArt N922 Independent Pec Fly/Rear Delt combines two upper-body exercises in one versatile station. Independently moving arms support balanced development, while long handles, dual grip zones and adjustable movement paths accommodate different users and allow effective chest or rear-deltoid training.

KEY FEATURES

- Independent motion provides balanced training
- Long handles and dual grip zones accommodate a variety of users
- Handles flare in/out to accommodate user of various size
- Dual function facilitates pec fly/rear delt workouts
- Incremental 3.3 & 6.6 lbs (1.5 & 3 kg) micro-loading adjustment
