KleenLine™ Pro Aerosol Air Fresheners

Advanced Odor Control for Businesses

Experience a fresh approach to facility air care with KleenLine Pro Air Fresheners!

Their breakthrough, low-VOC formula combines a fresh, clean scent with cutting-edge dry spray technology, specifically designed for businesses and commercial spaces.

The ultra-fine, dry mist ensures a fast-acting, long-lasting, pleasant scent without a sticky residue or messy fallout. This superior dry spray is achieved without ozone-depleting chemicals, boasting less than 10% total VOC content.

This industrial-strength air freshener doesn't just mask odors; it overpowers even the toughest smells, including smoke, decay, urine, feces, solvents, vomit, cooking, and animal odors.

With its new light-touch actuator, you get effortless, pinpoint spray control, making application precise and efficient. It is ideal for hotel rooms, restaurants, hospitals, apartments, schools, fitness centers, animal clinics, high-traffic restrooms, and nursing homes.
