

## Curve

The “Almost Anywhere” 30-day air freshener

### Versatile Placement

Holder allows you to place or hide it almost anywhere. Freshens while remaining hidden on the side of toilets, inside bathroom cabinets, the underside of trash can lids, and so much more. The holder stays in place with two sided tape, and Curve is replaced each month.

### Long Lasting

Curve contains 50x more fragrance than standard toilet rimsticks, so it freshens for 30 days.

### Reminds You When to Change It

The date tab system shows when it needs to be replaced resulting in 30 days of freshness.

### Cares for the Environment

Safe and effective, Curve is 100% recyclable and part of the world's only closed loop air freshener recycling program.
