

Cooperative purchasing utilizes a lead agent to competitively solicit a master agreement that contains language to be utilized by a state or nationally. Doing so results in several benefits to its members to include but not limited to:

- 1 Money savings
- 2 Time savings
- Limited need for personnel to run and review solicitations
- 4 Ability to obtain higher quality products

- 5 Expertise on the solicitation process
- 6 Lower prices due to volume of members
- 7 Convenience
- 8 Well written and reviewed T&C

# **OMNIA Partners' Master Agreement Solicitation Process**

The lead agent competitively solicits national master agreement for use by public agencies.

The solicitation is advertised nationally for a minimum of 30 days.

The solicitation has language that allows "piggybacking" for states whose laws allow intergovernmental contract use.

The lead agent evaluates the responses and awards contracts.

#### These include, but are not limited to the following agency types:

- School Districts (including K-12, Charter Schools, and Private K-12)
- Higher Education (including Universities, Community Colleges, Private Colleges, and Technical / Vocational Schools)
- Cities, Counties, and any Local Government
- State Agencies
- Church/Religious
- Nonprofit Corporations (to include 501C)
