

Aluminum Foil

Standard | Heavy Duty | X-Heavy Duty

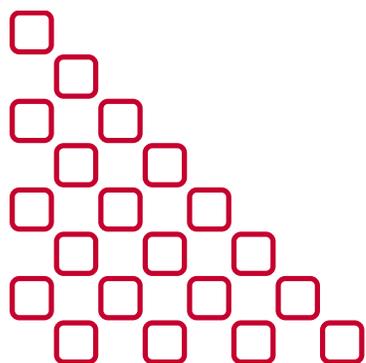

DESCRIPTION

SMART aluminum foil rolls are sturdy and strong enough to handle any of your food wrapping needs. Available in standard, heavy duty, and x-heavy duty strengths. Large foil rolls are tough and durable—great for baking, freezing, or wrapping. Conveniently packaged in a dispenser box with standard cutting edge to customize how much foil you need. Industrial style foil keeps food warm and sealed for transport or storage.
