

KleenLine™ essentials

HAND SOAPS AND SANITIZERS

KleenLine™ Essentials is an exclusive line of products designed for cleaning professionals. KleenLine™ Essentials enables customers to meet budget and cleaning objectives while solving all challenges from the simplest to the most complex.

Boost Health and Productivity with Effective Hand Hygiene Solutions

As a business owner or facility manager, you understand the importance of maintaining a healthy and productive environment. One key element is promoting proper hand cleaning to minimize the spread of germs and illness.

By investing in KleenLine™ Essentials hand soaps and sanitizers, you're investing in the health and well-being of your employees and customers, ultimately contributing to a more productive and successful business. The BradyPLUS team is up to date on the logistics of a proper hand hygiene program. Industry regulations, product selection, dispenser optimization, and dispenser placement are a few things to consider. Contact us today to discuss your specific needs and discover the ideal solutions for your facility.

KLEENLINE™ ESSENTIALS SKIN CARE

MANUAL AND TOUCH-FREE DISPENSERS

KleenLine™ Versatile and Cost-Effective Manual and Touch Free Dispensers

- Pump is built in to the dispenser and not allocated in the cost of each refill
- 1000 mL refills have 98% “no-waste” evacuation for more usable product per bag
- Bags are factory sealed to prevent cross contamination
- Refill design minimizes waste over traditional rigid plastic packaging for additional savings and lower carbon footprint
- Tough, durable ABS construction and easy to clean cover
- Convenient and secure refilling: easily monitor levels, with options for locked or open refill access
