

# CARPET CARE & EQUIPMENT MAINTENANCE

## LEARN HOW TO CLEAN AND MAINTAIN YOUR CARPETS!

Prepare to discover valuable insights that will enhance your skills and knowledge! Join us for a training seminar filled with informative discussions and practical tips, where you'll gain essential knowledge about:

- + **Carpet Maintenance:** Learn the best practices for keeping your carpets in top condition.
- + **Spot vs. Stain:** Understand the difference and how to treat each effectively.
- + **Cleaning Methods:** Discover the differences between Daily, Interim, and Restorative cleaning methods, with practical examples of each.

## WHAT YOU'LL LEARN

Participants will learn how to maintain carpets using daily, interim, and restorative methods, along with proper tools and equipment.

## INSTRUCTOR: STEVE JOHNSON

Steven Johnson is an experienced customer support manager with over 38 years of experience in the industry. He is a certified ISSA CPT AP professional and a ServSafe Trainer/Proctor specializing in food safety.

Steven has extensive expertise in infection control, providing training on effective cleaning practices to reduce infections. Additionally, he is skilled in Green Cleaning, offering training on its principles and benefits.

As an Extended DISC Trainer, Steven helps teams optimize communication and productivity. He also creates Standard Operating Procedures (SOPs) to ensure consistency and efficiency in operations.
