This versatile, extra-strength product is the ONE product for even the toughest glass cleaning applications. Windows, glass, windshields, mirrors, and displays are easily cleaned of dirt, oil, smudges, fingerprints, lipstick, and other stubborn deposits. The advanced chemistry provides professional-quality cleaning without streaking, smearing, hazing, or leaving residue or film behind. The special formulation is pleasantly fragrance and has a stable foam consistency that breaks quickly and easily when wiped. There is no “pushing around excess foam” since the optimum economic yield is dispensed. Can be used on O.E.M. tinted windows. Not recommended for after-market tints.
