

KleenLine™ FOAM HANDWASH SYSTEMS

Say Hello to Clean Hands!

KleenLine™ Foam Handwash Dispensing Systems™ add a touch of class to your facility with refreshing, spa-quality foam soap formulations that people love.

Whether you choose manual, touch-free or our new touch-free systems powered by energy on the refill (a Double A battery is included with each refill) your facilities team will appreciate the advanced features that make maintenance a breeze.

Choose the system that's right for you.

Three different systems that are built for reliability and high performance.

KleenLine™ Manual Foam Handwash Dispenser

Durable and reliable push-style systems. Easy to maintain.

KleenLine™ No-Touch Foam Handwash Dispenser

Touch-free systems built for reliable performance and ease-of-maintenance.

KleenLine™ NRG10™ No-Touch Foam Handwash Dispenser

Touch-free systems with a battery included in each refill, plus the ability to view the dispenser data remotely

KleenLine NRG10

It couldn't be easier to manage the KleenLine NRG10 dispensers, from install to each and every refill! Reduce downtime, workflow disruptions, and complaints with smart and simple refill management.

LESS WASTE

- Never change or buy batteries thanks to a fresh battery included on every refill
- Eliminate battery expense and inventory
- Less batteries, and plastic to help protect the earth and your bottom line
- It's easy to recycle the plastic bottle and components! Collar and alkaline AA battery are easy to pull apart
- Cradle to Cradle Certified® formulas validate that we choose safe ingredients. This certification is the global standard for materials, products, and systems that positively impact people and the planet

MORE TO LOVE

- Exceptionally quiet dispensing sound
- Slim design for tight spaces
- View dispenser data remotely with complimentary mobile app
- Gather data with the app and built-in dispenser technology to help identify usage patterns and better manage your dispenser fleet
- Effortless refills are easy to match and drop right into place
- Simple locking option helps prevent tampering
- Transparent refills take less time and labor than cabinets or tiny sight windows

Less Is More!

30% Less Plastic

Easy to Check Product Levels

Powered by PURELL® Technology

Easy to Change Clean-Sealed Refill

No More Changing Batteries!

Modern Finishes

Smart Technology Capabilities

Need a Dispenser? You've Got Options

TOUCH-FREE & BATTERY FREE

All the good stuff PLUS no battery needed for the dispenser!

Battery With Each Refill

Never change or buy batteries thanks to a fresh battery included on every refill.

Updated Design

Slimmer dispenser means it can fit into tight spaces and the transparent refills make restocking a breeze.

Connected

Gather data with the app and built-in dispenser technology to help identify usage patterns and better manage your dispenser fleet.

**Chrome option is a special additional charge finish*

8334-01-BCE00YL

8338-01-BCE00YL*

MANUAL OR TOUCH-FREE

Choose from a push bar dispenser, or a touchless battery operated dispenser. All with the same great style!

Sleek Front Window

Make it easy to see when dispensers need service.

Contemporary Design

Three color options to match any décor.

5632-01-BCE00YL

5634-01-BCE00YL

5636-01-BCE00YL

Simple Recycling and Disposal

PET bottle and refill components are easy to disassemble and recycle!

Easy-to-Pair Dispensers with Refills

Labels inside the dispensers match labels on the refill, so it's easy to match the correct dispenser and refill.

Lock Option

Convert to a locking system to prevent pilferage.

Got Soap?

KleenLine™ Clear & Mild Foam Handwash is an ECOLOGO® UL 2784 Certified & a USDA Certified Biobased Product spa-inspired foam hand soap that offers a luxurious foam lather in a fragrance and dye-free formulation. Enriched with moisturizers and skin conditioners.

KleenLine™ Pomeberry Foam Handwash is an ECOLOGO® UL 2784 Certified & a USDA Certified Biobased Product spa-inspired foam hand soap that offers a luxurious foam lather and a pleasant pomegranate fragrance. Enriched with moisturizers and skin conditioners, and has an appealing blue color.

KleenLine™ Boost™ Foam Handwash is an ECOLOGO® UL 2784 Certified, Cradle to Cradle Certified® Gold & a USDA Certified Biobased Product which is made with CLEAN RELEASE™ Technology to set a new standard for soap performance. The formulation is designed to reach deeper into the skin's cracks and crevices to gently remove 30% more dirt than regular hand soap. This mild formulation is hypoallergenic

and designed to be gentle on dry and sensitive skin. Available in Grapefruit or Fragrance Free.

KleenLine™ Cranberry Pink Lotion Foam Handwash* is an ECOLOGO® UL 2784 Certified & a USDA Certified Biobased Product which is specially formulated to produce a generous portion of soft, gentle foam soap that cleanses hands with a rich lather, and has a fresh, light cranberry fragrance.

KleenLine™ Foam Hand, Hair and Body Wash* is an ECOLOGO® UL 2784 Certified & a USDA Certified Biobased Product spa-quality foam hand, hair, and body cleanser with a fresh cucumber melon scent.

KleenLine™ Green Certified Foam Handwash* is an ECOLOGO® UL 2784 Certified & a USDA Certified Biobased Product which has a proven effective mild and biodegradable formula enriched with moisturizers that contains no dye or fragrance.

KleenLine™ Antibacterial Foam Handwash is a smooth, foaming handwash with a fresh fruit fragrance containing 0.3% chloroxylenol that delivers triclosan-free germ-killing power. One portion is all you need for an effective, yet luxurious, hand washing experience.

KleenLine™ Antimicrobial Foam Handwash Fragrance Free is a USDA Certified Biobased Product specially formulated hand soap that effectively kills germs. The refreshing foam formulation is mild enough for frequent use and is free of dyes, phthalates, parabens, and triclosan.

** This KleenLine™ refill also fits in Foam Soap 1250 ml dispensers..*

An innovation in hand soap.

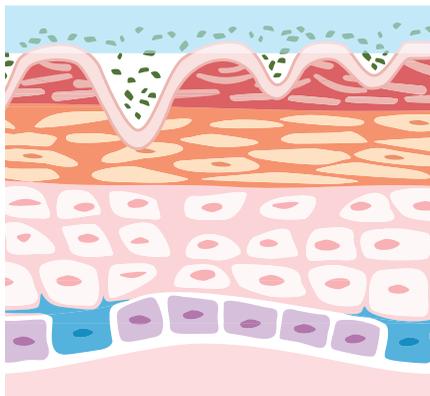

Introducing KleenLine™ Boost™ Foam Handwash with CLEAN RELEASE® Technology*

Healthy skin is cleaner skin. KleenLine™ Boost™ Foam Handwash made with CLEAN RELEASE® Technology sets a new standard for soap performance. This remarkably mild formulation is gentle on skin, contains no antibacterial ingredients³ or harsh preservatives, and removes over 99% of dirt and germs.

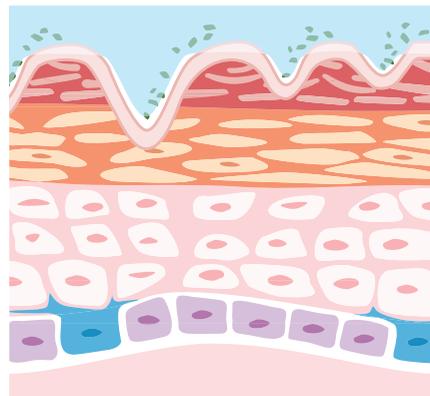

*CLEAN RELEASE® is a trademark of GOJO Industries, Inc. and is used with permission. See next page for all footnote information

Regular Soap⁷

Can't get to tough-to-reach areas where dirt and germs may hide.

KleenLine™ Boost™

Reaches into skin's cracks and crevices 2X better to lift and wash away more than 99% of dirt and germs.^{1,2,7} (see next page)

KleenLine™ Boost™ Helps Soap Work Better

KleenLine™ Boost™ enhances soap performance. It reaches deeper into skin's cracks and crevices to gently remove 30% more dirt and germs than regular soap.^{1,5,6} (see next page)

A SCIENTIFIC BREAKTHROUGH IN SKIN HEALTH

- Formulated for dry and sensitive skin, hypoallergenic KleenLine™ Boost™ Foam Handwash with CLEAN RELEASE® Technology is free of harsh ingredients, so it is better for skin
- Cleaner Ingredients – Free of harsh preservatives, antibacterials³, parabens and phthalates
- Better Wash Experience – 95% preferred over regular soap^{4,6}

BETTER FOR YOU AND FOR THE ENVIRONMENT

- KleenLine™ Boost™ soaps are made with natural ingredients. They rinse faster and cleaner to conserve water.
- 90% Biobased Content⁸ – Far exceeding the 64% USDA BioPreferred® Program standard for hand cleaners
- Water Conservation – Saves an estimated 6 gallons per refill compared to regular soap^{6,9}

Built for Sustainable Performance

The KleenLine™ NRG10™ Foam Handwash System represents a 68% reduction in battery waste when compared to leading touch-free systems on the market.*

Battery Waste Over Dispenser Lifetime

Based on battery weight at a usage rate of 2.35 refills per dispenser, per year. Savings calculated based on a six year dispenser lifetime, compared to leading traditional touch-free systems.

*When compared to leading touch-free systems on the market. Based on a 1200 ML refill with an assumed usage rate of 2.35 refills per dispenser per year and a 6-year dispenser lifetime.

Don't Forget the 1-2-3's of Hand Hygiene!

These simple steps go a long way towards staying healthy! Pair KleenLine products with hand sanitizer to get the best results.

1. Wash hands with soap and clean water
2. Dry hands with clean paper hand towels
3. Apply hand sanitizer
